# **DPUD Site Plan / Support Drawing & Primary Plat Checklist**

Minimum Requirements

☐ Title block
<ul><li>□ Development name.</li><li>□ PLSS section, township, and range.</li><li>□ Township name.</li></ul>
☐ General
<ul> <li>□ Scale (1 in. no more than 100 ft.).</li> <li>□ North arrow.</li> <li>□ Surveyor or engineer's seal.</li> <li>□ Drawing date.</li> <li>□ Legal description for the rezoning area.</li> <li>□ Restrictions on uses and improvements.</li> </ul>
$\square$ Surveyor, engineer, or agent's address, phone, and email
☐ General location map
<ul><li>☐ Rezoning area.</li><li>☐ Public right-of-way with names (include nearest major intersection).</li><li>☐ Natural bodies of water and regulated drains.</li></ul>
□ Boundaries
<ul> <li>□ Proposed property boundary with total acreage, dimensions, and bearings.</li> <li>□ Lot numbers, lot acreage or square footage, and lot lines with dimensions and bearings.</li> <li>□ Existing monuments with distance to point of beginning, existing markers, and set markers.</li> <li>□ Adjacent section and quarter section lines.</li> <li>□ Adjacent property lines and owners of adjacent property.</li> <li>□ Incorporated areas.</li> <li>□ Public right-of-way (existing, to be dedicated, and to be vacated) with dimensions and names.</li> <li>□ Building and parking setbacks with outlines.</li> <li>□ Common areas (if any).</li> </ul>
☐ Easements with dimensions
<ul> <li>□ Access.</li> <li>□ Nonaccess.</li> <li>□ Utility.</li> <li>□ Drainage.</li> <li>□ Septic.</li> <li>□ Structure.</li> </ul>
☐ Current zoning (onsite and adjacent)
☐ Uses (use labels: existing, proposed, future, and to be removed)

	improvements (use labels: existing, proposed, future, and to be removed)
	<ul> <li>□ Structures with dimensions and total area, setbacks to property lines, and distances between structures if less than 10 ft.</li> <li>□ Existing offsite structures within 100 ft. of the rezoning area with dimensions and setbacks to property lines.</li> <li>□ Signage with type, dimensions, and setbacks to property lines.</li> <li>□ Nonbuilding structures (e.g., swimming pools, dumpsters, and fuel tanks).</li> <li>□ Parking with number of spaces and setbacks.</li> <li>□ Interior drives and traffic patterns.</li> <li>□ Surface types.</li> <li>□ Buffers and landscaping with type and size.</li> <li>□ Fencing with type and dimensions.</li> <li>□ Outside storage and display.</li> <li>□ Outside lighting with type.</li> <li>□ Utilities (proposed and future private utilities must be outside the right-of-way).</li> <li>□ Project phasing.</li> </ul>
	Deviations from Zoning Ordinance standards
<b>□ 1</b>	Городгарһу
	<ul> <li>☐ Site benchmark.</li> <li>☐ 2 ft. contours for the rezoning area with elevations.</li> <li>☐ Site grading (if any).</li> <li>☐ Vertical datum used.</li> <li>☐ Lowest-floor elevation of proposed structures.</li> </ul>
□ F	Floodplain and wetland
	<ul> <li>□ Natural bodies of water with names (if any).</li> <li>□ 100-year floodplain (if any), floodplain note, and source used for floodplain data.</li> <li>□ Wetland (if any), wetland note, and source used for wetland data.</li> </ul>
□ <b>s</b>	Soils
	<ul> <li>□ Soil types and data source.</li> <li>□ Boring locations (if any).</li> <li>□ Ponding soils (if any).</li> <li>□ Seasonal high water table level.</li> </ul>
□ <b>v</b>	Water and sanitary systems (use labels: existing, proposed, and to be abandoned)
	<ul> <li>□ Onsite municipal water and sewer (if any) with manholes and pipe sizes.</li> <li>□ Onsite well, septic, and reserve/repair contingency plan.</li> <li>□ Offsite well, septic, and reserve area within 100 ft. of the rezoning area.</li> <li>□ Proposed private systems must be outside the right-of-way.</li> </ul>
<b>□ T</b>	Traffic Traffic
	<ul> <li>☐ Onsite driveway(s) (site access).</li> <li>☐ Sight distances.</li> <li>☐ Street improvements (if any).</li> <li>☐ Offsite driveways within 200 ft. of site access.</li> </ul>
	Stormwater
	$\square$ Retention and detention areas and other stormwater improvements (or note that none are needed).
□F	Regulated drains
	□ Regulated drain names and centerlines. □ Public and private tile with sizes and notes on protection, relocation, or removal.

#### **DPUD Narrative Checklist**

# Minimum Requirements

Cover pages
<ul> <li>□ Development name.</li> <li>□ Surveyor, engineer, or agent's address, phone, and email.</li> <li>□ Legal description for the rezoning area.</li> </ul>
Development project overview
<ul> <li>□ Project summary.</li> <li>□ Reason for the chosen location.</li> <li>□ Relationship of the intended uses with existing surrounding uses.</li> <li>□ Land use intent by percentage: agricultural, residential, commercial, manufacturing, undeveloped/open space, parking, storwater systems, and other.</li> <li>□ Protections for surrounding residential uses against nuisances (lighting, noise sources, vibrations, dust, smoke, etc.).</li> </ul>
Development project details
<ul> <li>☐ Site improvements and changes.</li> <li>☐ Project phasing.</li> <li>☐ Site access.</li> <li>☐ Days and hours of operation.</li> <li>☐ Indoor and outdoor activity.</li> <li>☐ Number of employees and visitors per day.</li> <li>☐ Number of trucks and other vehicles per day.</li> <li>☐ Parking and parking surfaces plan.</li> <li>☐ Outside storage and display.</li> <li>☐ Overview of stormwater plan.</li> </ul>
Deviations from Zoning Ordinance standards
Water and sanitary systems
<ul><li>☐ Include reason for nonconnection to municipal water and sewer (if applicable).</li><li>☐ Include confirmation that private systems are outside the right-of-way.</li></ul>
Soils (omit if on city sewer)
<ul> <li>☐ Soil types and data source.</li> <li>☐ Soil-related development limitations.</li> <li>☐ Seasonal high water table level.</li> </ul>
Traffic
<ul> <li>□ Existing vehicle count for adjacent streets with proposed increase.</li> <li>□ Vehicle traffic in and out.</li> <li>□ Sight distances.</li> <li>□ TIVE (if applicable).</li> </ul>
Stormwater
<ul><li>☐ Storage worksheet.</li><li>☐ Storage construction notes.</li></ul>
Other
☐ Environmental assessment (if applicable). ☐ Public improvements (if applicable).
