

FOR IMMEDIATE RELEASE

**Elkhart County Advisory Plan Commission Public Hearing
Change of Meeting Location and Time**

The Elkhart County Advisory Plan Commission hereby gives notice that the public hearing on the pending petition for a zone map change from **A-1 & M-1 to DPUD M-1 and for primary approval of a 2-lot minor subdivision to be known as Bristol Innovation Park DPUD within the Town of Bristol** will be held at a new location and time to accommodate better the expected large public attendance. The Plan Commission's rules allow a different published meeting location and permit meetings to be held at other places when desirable to afford a better opportunity for public participation.

New Hearing Information:

Date: July 9, 2026
Time: Meeting begins at 2 pm, and doors open at 1 pm.
Location: St. Mark's Church, 502 N. Main St., Goshen, 46528

Final approval or denial of this request rests with the Bristol Town Council. The purpose of the July 9 hearing is to consider the zoning and DPUD action requested by the petitioner and to determine what recommendation, if any, should be made by the Plan Commission.

The Plan Commission's rules authorize the Commission to limit the length of testimony by each speaker as deemed appropriate to a fair public hearing. To help manage public participation in an orderly and fair manner, the public will each be allotted up to **three (3) minutes** for presentations and rebuttal. **Each person must sign up to speak.**

For zoning map matters, interested parties include owners of property within 300 feet of the area included in the petition and owners of property within the area included in the petition who are not petitioners. The interested parties will be allowed to speak first. The pending proposal is on file and available for inspection at the offices of Elkhart County Planning & Development.
